Standard Operating Procedures (SOPs) Used in Study		<u>Used</u>
SOP #1.	Procedures for Storing Frozen Residue Samples	
SOP #2.	Procedures for Recording Raw Data Including	
SOP #3.	Residue Trial Design and Test System Care	
SOP #4.	Procedures for Collecting and Recording Crop/Pesticide History, and Agronomic Practices Associated with a Study	
SOP #5.	Equipment Use and Maintenance Log	
SOP #6.	Calibration Procedures	
	6.1 General Calibration and Operation Principles, Maintenance of Liquid Pesticide Application Equipment and Application of Test Substance	X
	6.2 General Calibration Principles for Ground Applied Liquid Pesticide Application Equipment	X
	6.3 General Calibration Principles for Granular Pesticide Application Equipment	
	6.4 General Calibration and Operation for Liquid	
SOP #7.	Operation, Calibration and Maintenance of Recording Thermometers	
SOP #8.	Procedures for Measuring, Weighing, and Mixing	
SOP #9.	Procedures for Sampling Soil for Pesticide Residue	
SOP #10.	Procedures for Sampling Plant Materials for	
SOP #11.	Procedures for Sampling Water (Specific-Rice Flood)	
SOP #12.	Facility Inspections and Study Audit Procedures	
SOP #13.	Operation, Calibration and Maintenance

- of Electronic Balances.
- SOP #14. Procedures for Receiving, Labeling, Storing, Tracking, Sampling, and Disposing of Test Products
- SOP #15. Procedures for Packaging and Shipment of Residue Samples
- SOP #16. Use and Maintenance of the Giddings Hydraulic
- SOP #17. Use and Maintenance of the Campbell Weather
- SOP #18. Procedure for Creating, Revising, and Retaining Standard Operating Procedures and Documentation/Reporting Protocol Deviations/Amendments
- SOP #19. Soil Sampling Procedures for Soil Characteristics
- SOP #20. Use and Maintenance of an Anemometer, Soil Thermometer and pH Meter X
- SOP #21. Procedure for Personnel Training
- SOP #22. Procedures for Creating, Revising, Retaining and Using Field Study Notebooks
- SOP #25. Master Study Schedule and Test Status Forms
- SOP #26. Facility Inspections and Study Audit Procedures by a Federal Regulatory Agency or by Personnel of a Study Sponsor
- SOP #27. Procedures for Company Organization, Job Descriptions, and Company Closure
- SOP #28. Rodent Control
- SOP #29. Making Exact Copy Documents
- SOP #31. Safety for Handling, Storing, Transporting and Disposing of Chemicals
- SOP #32. Procedures for Harvesting Cotton and Grain
